2. Please read carefully St. Sahag St. Mesrob Armenian Saturday School's **Code of Conduct** for the Armenia Trip. Sign and return p. 4 of the Code of Conduct. Also, complete and return the **Travel Permission Form**.
3. Dress attire is to be modest and non-revealing. Special attention should be made to the length of shorts and dresses. Although we are on holidays we must always remember that we represent our school.
4. Absolutely no profanity will be tolerated.
5. Electronic devices such as iPod will not be permitted during regular sightseeing and tours.
6. It is strongly recommended that students leave their cell phones in Canada. In the past, a few students had mistakenly left their cell phones on and encountered a substantial amount of roaming charges upon their return to Canada.
7. You may want to bring some Canadian dollars and U.S. dollars or Euros, in the event you need to purchase something while at the airport en route to Armenia.
8. Should your child require specific medication, it should be noted on the Health Form and the medication should be given to the chaperones for safekeeping. Please complete and return the **Health Form**.
9. We encourage e-mail, Facebook, and Blog communications from the hotel's computers. Telephone cards will be purchased to be used by students in cases of emergencies. Due to the time change, you may be receiving these calls early in the morning
